Accessory packs

Toyota accessory packs make it easy to customise your Land Cruiser for added style, extra functionality and personal technologies. Each great value pack combines carefully chosen accessories that enhance the interaction between you, your car and the life you lead.

Rear lower trunk garnish
A dash of chrome highlighting the Land Cruiser's distinctive rear contours.

Exhaust pipe finisher
Chromed stainless steel for that look of quality and co-ordination.

Chrome pack

Your new Land Cruiser will be a focus for admiring glances wherever you take it. The chrome pack increases the appeal even further by adding extra touches of style.

Accessory pack products are available individually. Please ask your Toyota retailer for details.

Mirror covers
The chrome finish adds emphasis to your car's sculptural mirror design.

Side mouldings with chrome insert
Protection for the side panels combined with a stylish chrome inlay.

Accessory pack products are available individually. Please ask your Toyota retailer for details.

Textile or rubber floor mats
Protect your car's carpets with your choice of Toyota textile or rubber floor mats.

Trunk liner
Made of rugged plastic and with raised edges to guard the trunk carpet against mud, sand and dirt.

Bumper protection plate
With a brushed stainless steel finish for great looks and tough paintwork protection.

Functional pack

Day to day practicality is the theme for the functional pack. A rear bumper protection plate, trunk liner and floor mats help protect your car against wear and tear.

Multi-media pack

The user friendly design of Toyota Hotspot and the rear entertainment system make the multi-media pack ideal for families, individuals, leisure and business.

Toyota Hotspot
Turn your car into a mobile WiFi hotspot for connecting up to 5 WiFi capable devices such as laptops, tablets, game stations or phones. The unit wires into your car's electrical system for constant power and uses a SIM card of your choice. See page 26 for details.

Rear entertainment system*
Fun for passengers as they watch a video, view photographs, play games or listen to music. Conveniently, the unit removes from its seat-back docking device for security and home use (mains to 12V adapter required). See page 27 for details.

* Available from mid-November 2013.

Exterior style

Style is personal. It's about adding extra touches of individuality. Toyota accessories give you that freedom. With choices ranging from alloy wheels to a rear skirt and chrome garnishes you can create a look for the way you like to be.

Pinnacle, 18", black

Pinnacle, 18", silver

Canyon winter wheel, 17"
Stylish Toyota alloys in a design made for winter tyres. When the weather turns you can switch to winter wheels for safe driving while still maintaining your car's prestige appearance.

Wheel locks
The rounded profile and unique coded key maximise alloy wheel anti-theft security. Made of hardened steel and with a chrome finish to visually complement your existing wheel nuts.

Pinnacle, 18", black

Rear lower trunk garnish
A dash of chrome along the lower trunk edge to highlight your Land Cruiser's distinctive rear contours.

Rear underrun
Powerful off-road design in a silver finish for that look of city style along with protection for the rear under-body and bumper.

Side bars
Combining the rugged appeal of an off-road side bar with a lustrous chrome finish for contemporary urban styling.

Exhaust pipe finisher
The chromed stainless steel exhaust pipe finisher visually converts a mechanical necessity into an eye-catching design detail.

Mirror covers
Carefully shaped for a secure fit around the indicator light and with a deep chrome finish to emphasise your car's sculptural mirror design.

Rear combination lights
Designed as an alternative to your car's existing rear light cluster. The look is refined, stylish and ultra-modern.

Interior style

For true luxury, there's nothing to compare with a genuine Toyota leather interior. It's as good to look at as it is to sit in.

Toyota seats are made with top quality leather to give you the ideal combination of style and practicality. Leather maintains its shape and prestige appearance year after year with minimal maintenance. Also, being a natural material, it 'breathes' and so increases passenger comfort in hot weather and on long journeys.

Black leather
High quality black leather with matching black stitching.

Beige leather
Light stone beige leather with matching beige stitching.

Exterior protection

Whether driving through town or country, on long runs or short trips, with Toyota accessories you have options to add extra care for your car and increased comfort for you and your passengers.

Side mouldings with chrome insert

Protection for your car's side panels against minor scrapes combined with a stylish chrome inlay. Available in black or painted to match your car.

Bumper protection plate

The brushed metal protection plate helps prevent paintwork scratches when sliding luggage in or out of the trunk.

Sun roof wind deflector

Designed to integrate with your car's aerodynamics and help reduce cabin wind noise when driving with the sun roof open.

Bonnet protector

Ideal for bad weather and country road driving. The protector diverts spray, mud and stones away from the windshield.

Wind deflectors

Aerodynamically shaped to reduce in-car wind noise and buffering when driving with open windows.

Door handle protection film

Virtually invisible, yet providing tough protection against scratching by gloves, rings and keys around the door handle.

Interior protection

Toyota floor mats and trunk liners are a great way of protecting your car's carpets against the ins and outs of a busy life. Each is shaped for a perfect fit, there's a choice of floor mat finishes, and all the driver's floor mats have special non-slip safety fixings.

Trunk liner

Ideal for lovers of an outdoor life. The liner has raised edges and is made of rugged plastic to protect the trunk carpet against water, mud, sand and dirt.

Trunk liner for floor rails

Especially made for cars with trunk floor rails. The strong plastic liner fits neatly around the rails to protect the trunk carpet against water, mud, sand and dirt.

Rubber floor mats

Tough protection for your car's carpets against mud, sand and dirt. The driver's mat has special safety fixings to stop it slipping. Available in black or light stone beige.

Textile floor mats

Soft textile on a strong backing for great looks and comfort while also protecting your car's carpets. Safety fixings hold the driver's mat firmly in place.

Carrying and towing

Toyota carrying and towing accessories add even more capacity to the Land Cruiser's legendary go anywhere, do anything capability. Roof-top storage, towing hitches and rear bicycle holders create extra flexibility for exploring your sense of adventure.

Roof rails

Strong yet lightweight permanently fixed rails that combine with Toyota cross bars to create a base for roof-top storage. Available in a black or silver finish.

Roof rack

Available as either a 2 bar or 3 bar set. The strong, lightweight aluminium design has integral security locking and combines with a range of specialised carrying attachments.

Cross bars

For use with Toyota roof rails. The cross bars lock onto the rails and form a secure base for a wide range of carrying attachments.

Towing hitches

Flanged

Detachable

Fixed

Toyota towing hitches are available with a flanged, fixed or detachable hook. Each provides a strong towing capability and will support the Toyota rear mounted bicycle holder.

- 3000 kg towing capacity. The towing hitch is designed for your car's maximum towing capacity.
- Supplied with a protective tow-ball cap bearing the Toyota logo.
- All Toyota towing hitches support the 2 and 3 bicycle version of the rear bicycle holder.
- The detachable towing hitch has a smart plastic cover to place over the base when the hook is removed.
- The detachable towing hitch hook attaches or removes by a turning knob that also has a security lock.

Towing hitch wiring harness

Individually designed for your Land Cruiser to seamlessly integrate its lights and signals with those on a towed trailer or rear bicycle holder.

- Independent circuitry and a fused module eliminate the risk of overloading your car's electrical system.
- Fused module prevents a fault in the trailer's circuitry affecting your car's systems (your car's indicators will still work if those on the trailer fail).
- Cable route safely avoids moving car parts, heat, irregular surfaces and metal edges.
- No loose cables that could snare road obstacles or interfere when loading/unloading the trunk.
- Strategic cable protection guards against accidental damage and the consequences of electrical shorting.
- Available with a 7 or 13 pin socket.
- Incorporates special water-proofing features for off-road and recreational driving.

Socket adapters

Toyota adapters provide a durable connection between different types of plug sockets. They are available in three versions:

- 7 pin (car) to 13 pin (trailer).
- 13 pin (car) to 7 pin (trailer).
- 13 pin (car) to 12N-12S double socket (trailer).

Interior practicalities

Everyone has a different in the way of living with their car. Toyota accessories respond to those differences by offering extra touches of practicality. Each accessory is designed for a special purpose and to reflect individual needs.

Moving load floor

The easy way to load heavy cargoes. It slots into your car's pre-fitted floor rails so you can load your cargo at the trunk edge and then glide it effortlessly into the trunk space.

Cargo manager

Slots into your car's pre-fitted floor rails and has both a flexible telescopic aluminium bar and a textile tensioning belt to hold cargoes securely in the trunk.

Trunk guard – half

The durable mesh design prevents stacked luggage tumbling into the passenger area and is also perfect as a dog guard to stop your pet climbing over the back seats.

Trunk guard – full

A floor to ceiling mesh design that protects the rear of your seats and prevents stacked luggage falling, or your pet dog jumping, into the passenger area.

Trunk divider

Combines with the full trunk guard to maximise carrying flexibility. It divides the trunk space for two dogs, a dog and luggage, or different types of luggage.

Horizontal cargo net

Clips onto your car's pre-fitted hooks to prevent bags and briefcases sliding around in the trunk.

Vertical cargo net

The net clips onto hooks in the trunk and has pockets for neatly storing all sorts of odds and ends.

Cool box

Ideal for picnics and days out. Plugs into your car's 12V socket to keep refreshments either hot or chilled.

Cool box transformer

Transforms 220V into 12V so you can use your cool box for refreshments at home or in your holiday chalet.

Ashtray / small bin

You can use it as an ashtray or for extra storage. The spring-shut lid makes it ideal for both.

Innovative technologies

For work, for play, for families and for individuals – Toyota technology accessories are as rewarding as the Land Cruiser itself. They create that essential link between you, your car and your way of life.

What is so clever about Toyota technology is that each item in the range has been created from the beginning with the user in mind. Every button, display and function is designed for easy operation and to meet a recognised need.

Toyota Hotspot

As the name suggests, Toyota Hotspot gives you internet access and effectively turns your car into a mobile hotspot. Simply load the Toyota Hotspot box with a SIM card of your choice and, as long as you're in a 2G/3G area, you'll have instant access to the internet and all the web has to offer.

The Toyota Hotspot connects up to five WiFi capable devices including laptops, tablets, smart phones and game systems and also enables in-car interaction between them. Importantly, the Toyota Hotspot wires into your car's electrical system to ensure constant power supply.

- Designed specifically for in-car use and the special demands of temperature variation and vibration.
- Automotive design high speed dual antenna that enhances mobile reception and minimises doppler problems.
- Open to any GSM operator and so allows you to use a SIM card of your choice. It will accept a dedicated data transfer card and, when travelling abroad, you can fit a local card to avoid roaming charges or enable roaming on your card.
- Over-the-air software updating happens almost automatically.
- User friendly web interface allows personalisation of Toyota Hotspot functions such as the connection parameters.
- Easy to use with a simple on/off switch and coloured diodes to inform of status and activity.
- Securely mounted within your car to avoid trailing wires.
- Free from the technical problems associated with using a smart phone as a hotspot and also the restrictions imposed by internet providers. For example, the Toyota Hotspot does not limit you to just one user surfing the net.
- Covered by a Toyota warranty.

Wireless infrared headphones

Superb stereo listening. The optional headphones have independent volume control and will automatically shut down to preserve battery life when no signal has been received for a period of time.

Holder for iPad® **

Fits into the Toyota seat-back docking device to provide a secure base for passengers using an iPad®.

Rear entertainment system*

Great fun and so easy to use. With the Toyota rear entertainment system your passengers can watch a video, view photographs, play games or listen to music. The system has a 7" screen, stereo sound and a remote control so children can watch without adjusting their seat belts. Conveniently, the unit removes from its seat-back docking device for security and home use (mains to 12V adapter required).

Media flexibility

- DVD player with CD, MP3, MP4, WMA and DivX compatibility.
- Compatible with many games consoles (adapter may be required).
- USB and SD card slots for accessing media, video and photographs.
- Smartphone A/V input.

User friendly

- Adjustable 7" TFT screen unit with remote control.
- Top loading disc slot suitable for child use.
- Stereo sound.
- Can be removed from car and used at home (mains to 12V adapter required).
- Optional second module for twin screen viewing.
- Optional wireless infrared headphones.

Reassuring

- Modules can be removed for security when not in use.
- Meets all crash and impact testing standards.
- Does not affect anti-whiplash seat head restraints.
- Integrated installation with no trailing wires or cords.

* Available from mid-November 2013. **Available from mid-December 2013. iPad® is a trademark of Apple Inc., registered in the US and other countries.

Child safety

Caring for young passengers needs careful thought. Be assured, with Toyota child restraint seats you have individual options for each age group.

Nothing is left to chance with a Toyota child restraint seat. The fixings are secure, the fabrics are robust and the design offers both safety and comfort. Whether travelling near or far, you can be sure your most precious cargo will be well protected.
