Individually yours

Choice, purpose and personality. For the city, the country and those wide open spaces. Wherever life takes you and your Yaris, genuine Toyota accessories make the journey even more special.

Accessory packs

For added protection, style or that sporty look of power and performance, Toyota accessory packs offer a great value way to express individuality. Designed especially for the Yaris and the Yaris hybrid, each pack offers co-ordinated accessories to make your choice effortlessly satisfying.

Style pack*

Extra touches of style especially for the Yaris hybrid. Each accessory creates a visual highlight that adds emphasis to your car's appearance. The look is one of quality and contemporary sophistication.

Rear chrome garnish
An appealing dash of chrome for the rear perspective.

Exhaust pipe finisher
Sculptural refinement in a durable chrome finish.

Side sills
Carefully designed to complement your car's side contours.

*Available for hybrid version only.

Hybrid pack*

Each accessory in the pack has been purposely created for the Yaris hybrid. Culture and refinement combine with day to day practicality in a presentation that integrates seamlessly with your car's inherent appeal.

Scuff plates

The stylish way to protect against paintwork scratches.

Smart entry key cover

Proudly displays the hybrid synergy drive logo.

Bumper protection plate (stainless steel)

Made of stainless steel to guard the rear bumper paintwork.

*Available for hybrid version only.

Protection pack*

On guard to help prevent paintwork scratches. A shield for your carpets against mud and grime. Be assured; the protection pack offers custom designed practicality to care for your Yaris or Yaris hybrid.

Side mouldings

Side panel protection against scrapes. In black or painted to match your car's body colour.

Bumper protection plate (black paintable)

Prevents paintwork scratches when loading or unloading the trunk.

Trunk liner

Tough black rubber with a raised lip and anti-slip surface (for low floor cars only).

*Available for all versions.

Style pack*

Real style is in the detail. It's applying those extra touches to something already beautiful and making it truly extraordinary. That's what the style pack will do for your Yaris.

Side sills

A dash of chrome to emphasise your car's side contours.

Rear chrome garnish

Adds a stylish chrome highlight to the lower trunk edge.

Scuff plates

The stylish way to protect door sill paintwork.

*Not available for hybrid version.

Roof spoiler
Designed to complement your car's aerodynamic profile.

Podium 15" alloy wheels, machined anthracite
Combining sports styling with high strength and low weight.

*Available for all versions.

Sports pack*

The Yaris turns heads in admiration wherever it goes. Add the sports pack and you introduce an extra dimension of design to create that unmistakable look of power and performance.

Technologies for life

The thinking behind Toyota technology accessories is joined up and very social. For instance, Toyota navigation systems create a multi-media hub to combine route guidance with your personal technologies. There's a communications system to maximise the capabilities of your Bluetooth® phone. And you can choose audio for high quality listening wherever you go.

This is technology as it should be. Every display is designed to be user friendly. Each function has been created to satisfy a need.

Wherever you go

See more, hear more, know more with Toyota Toyota Touch & Go navigation and TNS350 multi-media navigation. Each adds to the pleasure of every journey.

Both systems effectively create an in-car multi-media technology hub. You get pan-European route guidance, great audio, Bluetooth® hands-free and connectivity for your personal technologies.

Toyota Touch & Go navigation

Toyota Touch & Go is the ideal upgrade if your Yaris is fitted with Toyota Touch audio, but doesn't have navigation. The system integrates with existing audio functionality to also provide full map pan-European navigation plus a host of other travel guide features.

- Intuitive touch-screen navigation controls.
- Fast map and menu scrolling and map zooming.
- Full map coverage for Europe and Russia.
- Navigation instructions in 14 different languages.
- Lane guidance, speed limit and safety camera notification*.
- Points of interest and favourite places databases.
- Internet download navigation updating via a USB stick.
- On-line points of interest search.

*Safety camera notification not available in France.

Fingertip controls

Simply touch your finger to the TNS350 screen and slide it over the surface to scroll maps or search menus. With a menu, a gentle touch on your choice will access the information or reveal the next search level.

Play your iPod®

You can connect your iPod® via its USB cable and then operate it with the TNS350's touch-screen controls. Even the album art is displayed. When navigation is active, iPod® information appears in a split screen alongside the map.

Video and photographs

TNS350's 5.8" screen is great for imagery. You can upload photographs from an SD card or view iPod® video via an optional cable. Picture viewer also enables you to personalise the opening screen.

Hands-free Bluetooth®**

TNS350 supports Bluetooth® communications and audio playback. Your phone's controls can be touch-screen operated, there's an integral pick-up microphone, and incoming calls feed through the car's speakers.

(1) Not available in France. (2) Depending on server availability. (3) Enhanced TMC is available in UK, FR, BE, LU. Bluetooth® is a trademark of Bluetooth SIG Inc. iPod® is a trademark of Apple Inc, registered in the US and other countries.

TNS350 multi-media navigation

With TNS350 you can start with a post code* and address, a town, a map reference, pick from your favourite and recent destinations menu, or choose from a places of interest directory. It's easy. The system then calculates a choice of routes.

TNS510

The navigation system that also gives you fingertip access to a world of communications and multi-media entertainment. There's Bluetooth® hands-free, connectivity for your iPod® and personal technologies, top quality audio and a CD player. Touch-screen controls ensure easy operation.

Bluetooth® hands-free system*

The perfect accessory if your Yaris isn't enabled for Bluetooth® communications as standard or fitted with Toyota multi-media navigation. Steering wheel controls combine with voice recognition commands to make the system very easy to use. It will also play music stored on your phone through the car's speakers.

*Contact your Toyota retailer for details of phone compatibility.

TAS200 audio

The smart choice multi-dimensional audio unit if your Yaris isn't fitted with Toyota Touch audio and you don't require navigation.

Ease of use is assured by a multi-jog selector and an OLED display providing strong contrast, high brightness and quick response. Features include an AM/FM radio, an MP3/WMA compatible CD player, AUX, USB and iPod® sockets, DAB readiness and three DSP modes for sound equalisation.

DAB

Radio stations throughout Europe are increasingly switching to the exceptional clarity of digital audio broadcasting (DAB). The Toyota DAB upgrade integrates with your car's Toyota multi-media navigation or audio system to enable DAB reception wherever it is available.

Ingenious originality

Toyota exterior accessories go hand in hand with the ingenuity of Yaris. Whether travelling near or far, around the city or along the motorway, there's a Toyota accessory to enhance the occasion.

You can choose alloy wheels and touches of style to express personality. Opt for extra protection against scuffs and scrapes. And fit a roof rack with special attachments for those big adventures. Whatever the motivation, Toyota accessories add to the compelling originality of life.

Fog lamp contour

The contour is designed to fit neatly around your fog lamps. Its bright chrome finish adds a stylish detail to the front of your Yaris.

Exhaust pipe finisher

Made with a durable chrome finish to enhance the rear of your car with a sporty yet sophisticated appearance.

Daytime running lights

The look is very modern and stylish. The effect is to make your car more visible and so increase road safety.

Side sills

Toyota side sills complement the contours of your Yaris with a distinctive dash of chrome.

Roof spoiler

Designed with aerodynamic precision to extend your car's streamlining and make a visual statement about the Yaris' sporty performance.

Rear trunk garnish

With its chrome finish, the rear trunk garnish provides a stylish highlight along the lower lip of the trunk door.

Personality

The range of Toyota alloy wheels gives you real freedom to be creative and express your personality. Each design is precision engineered to optimise balance, low weight and high strength.

Podium, anthracite 15" and 16"

Pavona, silver 15"

Selena, light grey 15"

Wheel locks

Featuring a rounded profile and coded key to help protect your alloys.

Winter rim wheels

High strength wheels especially for use with winter tyres.

Protection

Toyota accessories provide a dependable extra layer of protection against today's crowded streets and busy car parks. Each has been designed to help keep your Yaris in pristine condition.

Side mouldings
Protection against minor door panel damage. In black, or can be painted to match your car's colour.

Bumper corner protectors
Available for the front and rear bumpers. In black, or can be painted to match your car's colour.

Wind deflectors
Increases comfort by reducing wind noise and turbulence when driving with open windows.

Rear bumper film
Transparent self-adhesive film to guard your bumper paintwork.

Door handle film
Clear adhesive film to guard against scratches.

Mud flaps
Shaped to fit your car's wheel arches. Available for front and rear.

Guiding

The Yaris is very easy to park. Even so, when space is at a premium, you'll find the guidance given by the Toyota parking aid system a big help in avoiding accidental scrapes.

Depending on your car's specification, you can add sensors to the front, rear or front and rear bumpers. These link to in-car alarms that give a progressively louder warning the closer you get to an obstacle. The front and rear alarms have different sounds and can be switched off when not required.

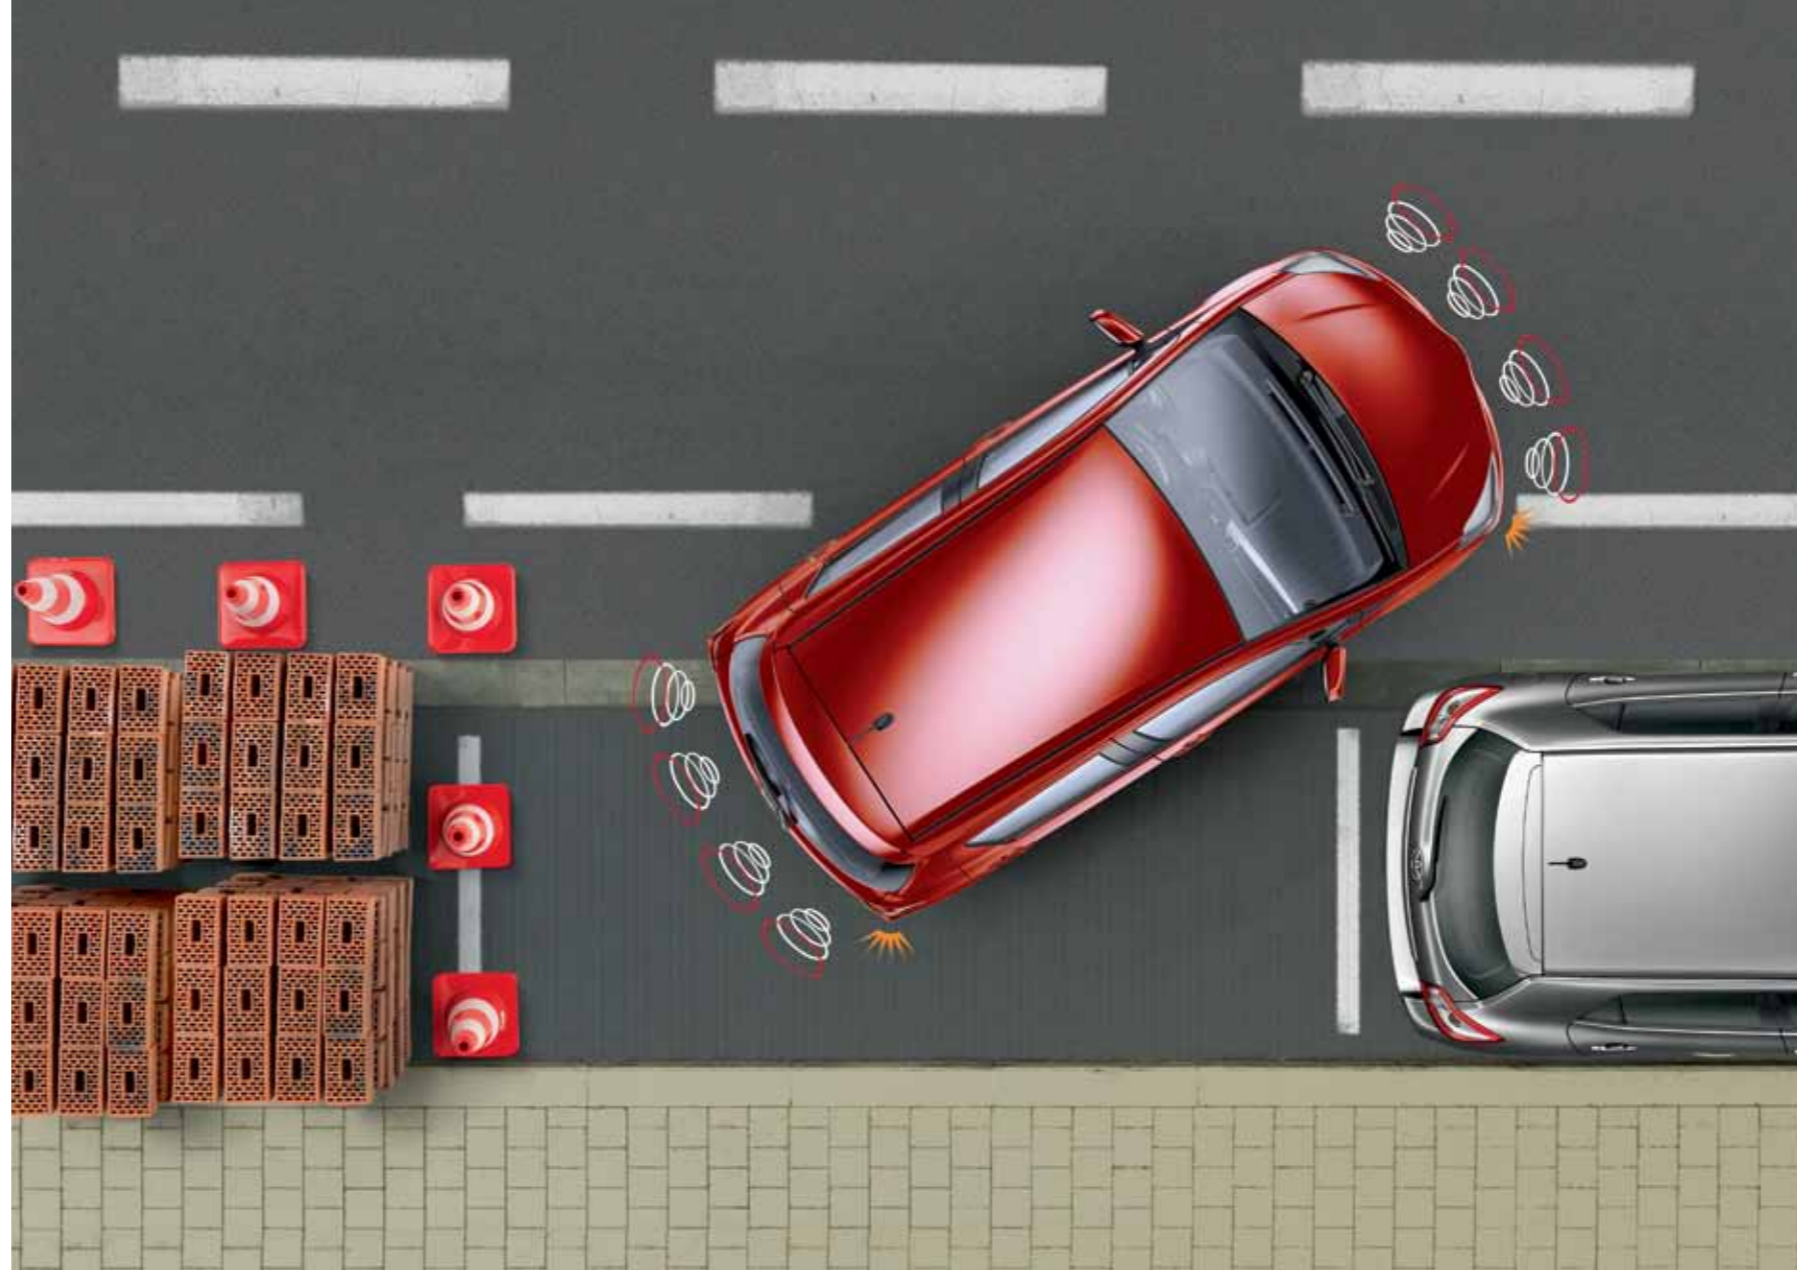

Sensors

The sensors are painted to match the colour of your car's bumpers.

Cancellation switches

You can switch off the alarms when they are not needed. For instance if you are towing a trailer or bumper to bumper in slow traffic.

Vehicle security system

It's comforting to have a car as safe as the Yaris. Toyota's vehicle security system increases that peace of mind by providing an extra layer of protection when your car is parked.

The system has a powerful alarm to complement your car's pre-fitted immobiliser. An optional incline sensor is also available to warn of attempted wheel theft and towing.

Adventurous

Making the most of your leisure time is easy with Toyota transport accessories. There are bicycle holders for the rear and roof of your car. You can fit a towing hitch to pull anything from a trailer to a jet-ski. And, for maximum versatility, the Toyota roof rack combines with a great choice of carrying attachments ranging from ski, boat and surfboard holders to stylish luggage and ski boxes.

Rear bicycle holders

With Toyota accessories you have two great choices.

The rear bicycle holder is a lightweight high strength steel design for securely carrying two bicycles. It attaches to a Toyota towing hitch and features an integral lights and licence plate holder plus security locking.

Alternatively, there's the Easy Click rear bicycle holder. This lockable, two bike, steel design tilts to allow trunk access and folds flat for storage when not in use. It can be used with a Toyota horizontal detachable hitch, and comes complete with lights and licence plate holder.

Wiring kit

Tailored to fit your Yaris and safely connect its lights to a trailer or rear bicycle holder. Features include indicator failure detection and a buffer amplifier to shield your car against faults in the trailer's wiring system. Available in 7 and 13 pole versions.

Horizontal detachable towing hitch

High strength towing with the convenience of a removable hook. The hitch has a towing capacity of between 750kg and 1050kg depending on the engine type of your car and can be supplied with a wiring kit.

Fixed towing hitch

The ideal system if you have a regular, day-to-day towing need. It offers a towing capacity of between 750kg and 1050kg depending on the engine type of your car and can be supplied with a wiring kit.

Luggage boxes

The aerodynamic design conceals a big carrying capacity. Features include central locking, passenger side opening and a choice of standard or luxury finishes.

Ski boxes

The easy way to carry all your ski accessories. Available in standard or luxury versions, both with central locking and passenger side opening.

Fixation straps
Ultra-tough strapping with a torsion adjuster for securing loads.

Surfboard and mast holder
Securely holds a full size surfboard or wind-surfboard and mast.

Roof rack
Strong, lightweight aluminium design with security locking.
Luxury kayak holder
Space saving design that secures a kayak type boat on its side.

Ski and snowboard holders

Custom designed lockable holders for combining with the Toyota roof rack to securely hold skis and snowboards. Available in small, medium and large sizes including a large luxury holder that slides to the car side for easy loading and unloading.

Standard bicycle holder

Lockable design with a quick lock and release system for easy loading and unloading.

Medium bicycle holder

Featuring an anti-theft system and moulded profiles to grip the bicycle wheels. Fits on either side of the roof.

Luxury bicycle holder

Lockable lightweight aluminium design with wheel and frame grips. Conveniently, the frame grip can be adjusted at roof height. Fits on either side of the roof.

Personal space

Refined materials, meticulous detailing and plenty of comfort. Sitting inside the Yaris is a pleasure to enjoy time and time again. Toyota accessories make even more of the sensation.

With Toyota interior accessories you can express your personality, add extra layers of practicality and treat yourself with touches of pure luxury. The choices are about life and how you like to live it. Each helps create a personal space tailored to the way you like things to be.

Toyota leather interior

For your Yaris, there's nothing to compare with the luxury of a Toyota leather interior. Style, comfort and practicality all combine in a presentation that's as good to look at as it is to sit in. The black leather with marvel grey stitching design includes seats and head rests and is fully compliant with airbag operation.

Scuff plates

The stylish way to protect door sill paintwork against scratching. Available for the front and rear side doors, in aluminium or polycarbonate finish.

Rubber floor mats
The ultimate protection against dirt, mud, rain and liquids. Custom shaped for the Yaris.

Needle-felt floor mats
Hard wearing textile mats in an anthracite colour. Purpose designed to fit the Yaris floor space.

Velour floor mats
Soft touch velour combining comfort and practicality. Available in black or anthracite colour and standard or luxury weights.

Trunk liner
Durable protection for your trunk carpet. Made of thick black rubber with an anti-slip surface and raised edge lip.

Back window blind
Protects the trunk area and rear seat.

Rear side window blind (five door)
Designed for the five door Yaris rear side windows.

Sun blinds
Stylish black Toyota sun blinds have an opaque anti-glare finish on the outer surface. This means they shield against the sun and prevent other people looking in, but still allow you to look out.

Vertical cargo net
Clips onto pre-fitted hooks in the trunk space to firmly hold smaller items of luggage.

Centre console box
Convenient additional storage for small items.

Ashtray
With a close fitting spring-shut lid to contain odours.

Air conditioning
Keeps the cabin temperature just how you like it.

Reassuring

Caring for young passengers needs careful thought. Be assured, with Toyota child restraint seats you have individual options for each age group.

Nothing is left to chance with a Toyota child restraint seat. The fixings are secure, the fabrics are robust and the design offers both safety and comfort. Whether travelling near or far, you can be sure your most precious cargo will be well protected.

Baby-Safe Plus restraint seat
Comfort and protection for babies from birth up to around 9 months (up to 13 kg).

Duo Plus ISO fix restraint seat
For children between 9 months and 4 years (approximately 9 to 18 kg).

Kid restraint seat
Height adjustable for children between 4 and 12 years (approximately 15 to 36 kg).

Toyota stickerfix™

The simple solution to minor paintwork damage

Caring

Sometimes it's the little things in life that make a big difference. Yaris accessories consider the details of helping care for you and your car.

01 Warning triangle and first aid kit
Essential preparation for whatever may wait around the next corner.

02 Spare light bulbs kit
Be sure, be safe, with a complete set of replacement bulbs.

03 Reflecting jacket
See and be seen is a golden rule of personal safety.

04 Optibright and Optibule bulbs
Stylish high performance headlamp bulbs for enhanced bright white or blue-white illumination.

05 Touch-up paint
Available in stick and aerosol for those little scratches.

06 Tyre repair kit
Plugs into your car's DC socket to seal and inflate a punctured tyre.

07 Car care products
A complete range of cleaners, polishes, oils and fluids available from your local Toyota retailer.

08 Stickerfix*
Stick-on patches for repairing minor paintwork blemishes.

09 Toyota ProTect*
Professionally applied ProTect maintains the showroom finish of your car's paintwork, alloys and upholstery.

*Contact your local Toyota retailer for details.
